SECTION A: PARTIES AND LIMITATIONS ON USE

The following warranty is issued by WATSON METALS to its customers on all non-painted galvalume plus metal panels for the metal building industry.

SECTION B: COVERAGE

This warranty applies only for customers that have purchased metal panels directly from WATSON METALS or from an authorized distributor. Coverage of claim will be *considered* only with an original copy of invoice or sales receipt.

CUSTOMERS HAVE THIRTY (30) DAYS FROM DETECTION OF PROBLEM TO REPORT CLAIM.

SECTION C: TERMS

The following includes roof and wall installation:

- 1) We understand that exposure to the environment will affect somewhat the zinc/aluminum surface of the panels. This shall not include streaking or substantial discoloration of the surface for a period of 25 years.
- 2) Coating shall not rupture or perforate on metal panels due to normal exposure for a period of 25 years.

EXCEPTIONS:

Metal fastened to asphalt shingles;
Metal fastened to ACQ PT Lumber;
Metal cut with power saw;
Roofs sloped less than a 1/12 pitch;
Exposure to animal confinement/waste;
Inadequate drainage on sheets;
Exposure to salt water in any form;
Stain damage caused by wet storage;
Areas subject to water runoff from lead and copper flashing;
Roofs exposed to corrosive chemicals;

THERE IS NO WARRANTY ON ANY #2 METAL; IT IS SOLD AS IS WITH NO GUARANTEE OF UNIFORM SPANGLE.

SECTION D: REMEDY

In the event of a claim, customer must provide Watson Metals with necessary information, such as invoice and video or photographs of defective panels. Watson Metals will determine how to process the claim. This may include replacement of sheets and labor or just the sheets of the presented claim, to achieve a uniform appearance on the roof. Course of action will be determined solely by Watson Metals. If sheets are to be replaced, customer must provide two (2) competitive bids approved by Watson Metals for the replacement. It will be at Watson Metals discretion which bid to use. After settlement has been reached, customer releases Watson Metals of all further responsibility to project.
